SUBJECT AND AUTHOR INDEX TO VOLUME 12 (1967)

Abstracts of Lectures—13th Annual Meeting and Lecture Series, October, page 76.
Adler, Richard H., M.D., Goodrich, James, and Siegel, Marlon B., Prophylaxis of Postoperative Respiratory Complications—Evaluation of a New Rebreathing Device, April, page 14.
Aerosol, Varying Output from Bird and Bennett Nebulizers Under Controlled Conditions, Glick, R. Victor, February, page 4.
AHA, Inhalation Therapy Service, Guiding Principles of the, Editorial Comment, Saposnick, Allan B., February, page 2.
Ahlgren, E. Warner, M.D., see Anderson, Houston R.
Air Pollution, Do-It-Yourself, Editorial Comment, Weiss, William, M. D., June, page 32.
Anderson, Houston R. and Ahlgren, E. Warner, M.D., Patient Information Pamphlet, in New Ideas and Modifications, June, page 36.

Annual Meeting and Lecture Series, 13th—Abstracts of Lectures, October, page 76.
Asthma, Comments on—1825, April, page 20.
Atelectasis, An Experimental Plan for a Statistically Meaningful Study of Postoperative, Washburn, J. H. and Clarke, E. L., October, page 69.

Bed Mounted Portable Oxygen Unit, in New Ideas and Modifications, McGladdery, J. H., April, page 21.
Breathing Tubes, A Means of Eliminating Condensate Automatically from Breathing Tubes, in New Ideas and Modifications, Eubanks, David H. and Wickliff, David, August, page 58.

California Hospital, Inhalation Therapy Department, IPPB with Ultrasonic Nebulizer, in New Ideas and Modifications, October, page 83.
Can Oxygen Substitute for Blood Flow?, Editorial Comment, Comroe, Julius H., M.D., December, page 92.
Carbon Dioxide-Oxygen Inhalations, The Treatment of Post-Concussion Syndrome by Use of, Gilbert, Michael M., M.D., December, page 96.
Carrier for an Ultrasonic Nebulizer, in New Ideas and Modifications, Lehman, Malcolm E. and Sweeney, Donal F., June, page 38.
Clarke, E. L., see Washburn, J. H.
Comments on Asthma—1825, April, page 20.

Comroe, Julius H., M.D., Can Oxygen Substitute for Blood Flow?, Editorial Comment, December, page 92.
Condensate, A Means of Eliminating Automatically from Breathing Tubes, in New Ideas and Modifications, Eubanks, David H. and Wickliff, David, August, page 58.
Cystic Fibrosis, The Use of Ultrasonic Nebulization in Patients with, Lough, Marvin, June, page 34.

deBorde, Richard, see Rattenborg, Christen, M.D.
Do-It-Yourself Air Pollution, Editorial Comment, Weiss, William, M.D., June, page 32.

Eubanks, David H. and Wickliff, David, A Means of Eliminating Condensate Automatically from Breathing Tubes, in New Ideas and Modifications, August, page 58.
Experimental Plan for a Statistically Meaningful Study of Postoperative Atelectasis, An, Washburn, J. H. and Clarke, E. L., October, page 69.

Floor Mounting for Positive Pressure Respirators, A, in New Ideas and Modifications, Sweeney, Donal F., M.D., and Lehman, Malcolm E., October, page 84.

Gerard, Sister Mary, Therapist Location Indicator, in New Ideas and Modifications, April, page 22.

Gilbert, Michael M., M.D., The Treatment of Post-Concussion Syndrome by Use of Carbon Dioxide-Oxygen Inhalations, December, page 96.
Glick, R. Victor, Varying Aerosol Output from Bird and Bennett Nebulizers Under Controlled Conditions, February, page 4.
Goodrich, James, see Adler, Richard H., M.D.

Inhalation Therapy: Departmental Organization, Personnel Qualifications and Responsibilities, Miller, William F., M.D., April, page 17.
Inhalation Therapy Service, Guiding Principles of the AHA, Editorial Comment, Saposnick, Allan B., February, page 2.
IPPB with Ultrasonic Nebulizer, in New Ideas and Modifications, California Hospital, Inhalation Therapy Department, October, page 83.

Lehman, Malcolm E. and Sweeney, Donal F., Carrier for an Ultrasonic Nebulizer, in New Ideas and Modifications, June, page 38.
Lehman, Malcolm E., see Sweeney, Donal F., M.D.
Lough, Marvin, The Use of Ultrasonic Nebulization in Patients with Cystic Fibrosis, June, page 34.
Lung Ventilators: Function and Principles, Rattenborg, Christen, M.D., and deBorde, Richard, August, page 48.

McGladdery, J. H., Bed Mounted Portable Oxygen Unit, in New Ideas and Modifications, April, page 21.
Means of Eliminating Condensate Automatically from Breathing Tubes, A, in New Ideas and Modifications, Eubanks, David H. and Wickliff, David, August, page 58.
Miller, William F., M.D., Inhalation Therapy: Departmental Organization, Personnel Qualifications and Responsibilities, April, page 17.

Nebulizers, Varying Aerosol Output from Bird and Bennett Under Controlled Conditions, Glick, R. Victor, February, page 4.
Negative Pressure, in Queries and Comments, August, page 56.
Nett, Louise M. and Tyler, Susan W., A Simple Ventilatory Assistor for Hospital and Home Respiratory Care, December, page 93.

Patient Information Pamphlet, in New Ideas and Modifications, Anderson, Houston R. and Ahlgren, E. Warner, M.D., June, page 36.
Portable Oxygen Unit, Bed Mounted, in New Ideas and Modifications, McGladdery, J. H., April, page 21.
Post-Concussion Syndrome, The Treatment of by Use of Carbon Dioxide-Oxygen Inhalations, Gilbert, Michael M., M.D., December, page 96.
Prophylaxis of Postoperative Respiratory Complications—Evaluation of a New Rebreathing Device, Adler, Richard H., M.D., Goodrich, James, and Siegel, Marlon B., April, page 14.

Rattenborg, Christen, M.D. and deBorde, Richard, Lung Ventilators: Function and Principles, August, page 48.
Rebreathing Device, Prophylaxis of Postoperative Respiratory Complications—Evaluation of A New, Adler, Richard H., M.D., Goodrich, James, and Siegel, Marlon B., April, page 14.

Saposnick, Allan B., Inhalation Therapy Service, Guiding Principles of the AHA, Editorial Comment, February, page 2.
Siegel, Marlon B., see Adler, Richard H., M.D.
Simple Ventilatory Assistor for Hospital and Home Respiratory Care, A, Nett, Louise M. and Tyler, Susan W., December, page 93.
Sister Mary Gerard, Therapist Location Indicator, in New Ideas and Modifications, April, page 22.
Sweeney, Donal F., M.D. and Lehman, Malcolm E., A Floor Mounting for Positive Pressure Respirators, in New Ideas and Modifications, October, page 84.
Sweeney, Donal F., see Lehman, Malcolm E.

Therapist Location Indicator, in New Ideas and Modifications, Gerard, Sister Mary, April, page 22.
Treatment of Post-Concussion Syndrome by Use of Carbon Dioxide-Oxygen Inhalations, The, Gilbert, Michael M., M.D., December, page 96.

Ultrasonic Nebulization, The Use of in Patients with Cystic Fibrosis, Lough, Marvin, June, page 34.
Ultrasonic Nebulizer, Carrier for, in New Ideas and Modifications, Lehman, Malcolm E. and Sweeney, Donal F., June, page 38.
Ultrasonic Nebulizer, IPPB with, in New Ideas and Modifications, California Hospital, Inhalation Therapy Department, October, page 83.
Urban Air, The, Editorial Comment, Yanda, Roman L., M.D., October, page 68.
Use of Ultrasonic Nebulization in Patients with Cystic Fibrosis, The, Lough, Marvin, June, page 34.

Ventilators, Lung: Function and Principles, Rattenborg, Christen, M.D. and deBorde, Richard, August, page 48.

Washburn, J. H. and Clarke, E. L., An Experimental Plan for a Statistically Meaningful Study of Postoperative Atelectasis, October, page 69.
Weiss, William, M.D., Do-It-Yourself Air Pollution, Editorial Comment, June, page 32.
Wickliff, David, see Eubanks, David H.

Yanda, Roman L., M.D., The Urban Air, Editorial Comment, October, page 68.

BOOKS REVIEWED

Breathlessness—Proceedings of an International Symposium, reviewed by Egidio A. Fulchiero, M.D., February, page 8.

Cardiopulmonary Function Tests in Clinical Medicine, reviewed by Robert M. Rogers, M.D., October, page 84.

Disorders of the Respiratory Tract in Children, reviewed by Charles C. Richards, M.D., April, page 23.

Nurses Guide to Anesthetics, Resuscitation and Intensive Care, A, reviewed by Frederick W. Cheney, M.D. and Ellan Nelson, R.N., June, page 39.

Pulmonary Diseases and Anomalies of Infancy and Childhood: Their Diagnosis and Treatment, reviewed by William W. Waring, M.D., June, page 39.

Pulmonary Physiology in Clinical Practice, reviewed by Egidio A. Fulchiero, M.D., August, page 59.

Tracheostomy and Artificial Ventilation, reviewed by Joseph P. Atkins, M.D., December, page 101.

Ventilation/Blood Flow and Gas Exchange, reviewed by Thomas D. Graff, M.D., August, page 59.
